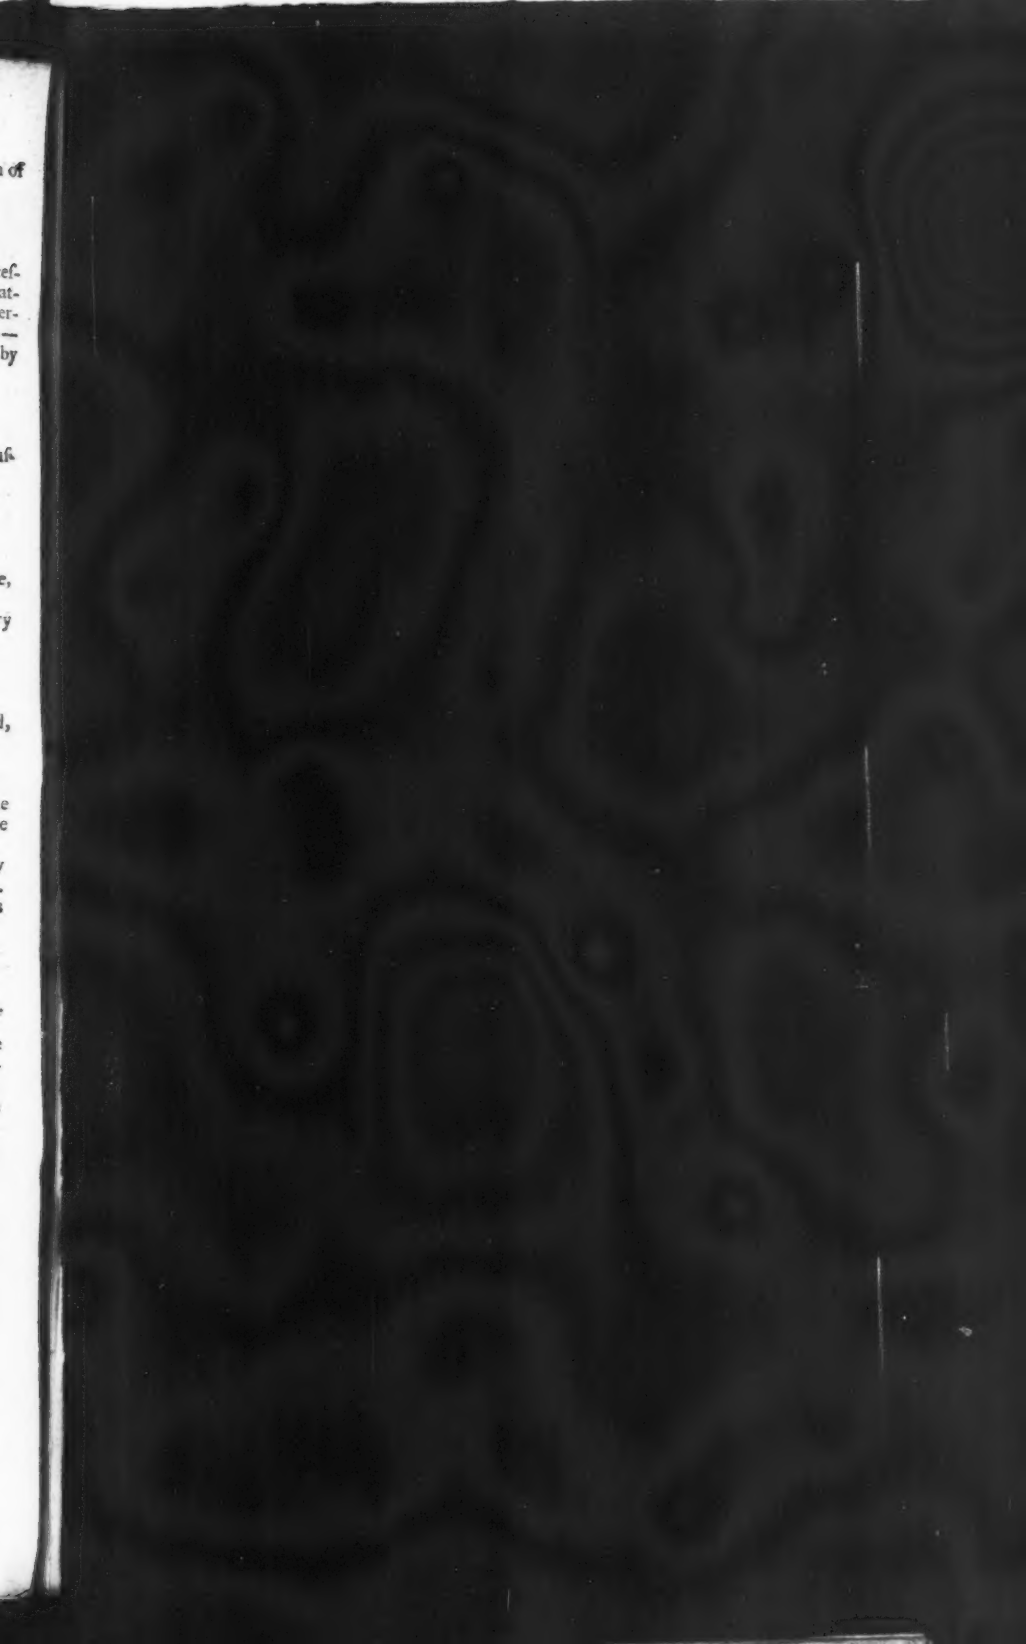
An accurate plan of the battle fought near Torgau on the 3d of November, 1760 367



From ev'ry Blast of War's *contagious Breath,*
Famine and Drought proceed, and plagues, & Death.

Say, wretched Rivals! what provokes your Rage;
Say, to what End your impious Arms engage?
For Crimes like these, not all your Realms suffice,
We're all those Realms the guilty Victors Prize. — Pope.
